## §915.306

prior approval, and under the supervision of, the Avocado Administrative Committee.

(b) The limitations set forth in paragraph (a) of this section shall not apply to master containers for individual packages of avocados: *Provided*, That the markings or labels, if any, on the individual packages within such master containers do not conflict with the markings or labels on the master container.

(c) No handler shall handle any avocados for the fresh market in 20 bushel plastic field bins to destinations inside the production area.

(d) Avocados handled for the fresh market in containers other than those authorized under §915.305(a) and shipped to destinations within the production area must be packed in 1-bushel containers.

(e) All containers in which the avocados are packed must be new, and clean in appearance, without marks, stains, or other evidence of previous use.

[63 FR 37480, July 13, 1998, as amended at 64 FR 69383, Dec. 13, 1999; 65 FR 15205, Mar. 22, 2000; 70 FR 36470, June 24, 2005; 73 FR 66719, Nov. 12, 2008]

### **§915.306 Florida avocado grade, pack, and container marking regulation.**

(a) No handler shall handle any variety of avocados grown in the production area unless:

(1) Such avocados grade at least U.S. Combination, except that avocados handled to destinations within the production area grade U.S. No. 2 and except further that such avocados may be placed in containers with avocados of dissimilar varietal characteristics.

(2) Such avocados are in containers authorized under §915.305, when handled to points outside the production area.

(3) Such avocados are packed in accordance with standard pack, when handled in containers authorized under §915.305.

(4) Such avocados are in containers marked with a Federal-State Inspection Service lot stamp number, when handled in containers authorized under §915.305: *Provided*, That when inspection occurs after palletization, only all exposed or outside containers of avocados must be plainly marked with the

lot stamp number corresponding to the lot inspection conducted by an authorized inspector.

(5) Such avocados are in containers marked with a Federal-State Inspection Service (FSIS) lot stamp number applied to an adhesive tape seal affixed to the container in a manner to prevent the container from being opened and/or the fruit being removed without breaking the seal, when handled in containers other than those authorized under §915.305. The stamp and tape shall be affixed to the container by the FSIS or by the handler under the supervision of the FSIS. Only stamps and tape which have been approved by the Fresh Products Branch, Fruit and Vegetable Division, Agricultural Marketing Service, U.S. Department of Agriculture, may be used for purposes of stamping and sealing containers to meet these requirements.

(6) Such avocados when handled in containers authorized under §915.305, except for those to export destinations, are marked once with the grade of fruit in letters and numbers at least 1 inch in height on the top or one side of the container, not to include the bottom.

(7) Such avocados when handled in containers other than those authorized under §915.305(a) for shipment to destinations within the production area are marked once with the grade of fruit in letters and numbers at least 3 inches in height on the top or one side of the container, not to include the bottom. Each such container is also to be marked at least once with either the registered handler number assigned to the handler at the time of certification as a registered handler or with the name and address of the handler.

(b) The provisions of paragraphs (a)(2), (a)(3), (a)(4), (a)(5), and (a)(6) of this section shall not apply to individual packages of avocados weighing four pounds or less, net weight, in master containers.

(c) Terms pertaining to grades and standard pack mean the same as those defined in the United States Standards

§915.332 Florida avocado maturity regulation.

(a) No handler shall handle any variety of avocados, except Hass, Fuerte, Zutano, and Edranol, grown in the production area unless:

(1) Any portion of the skin of the individual avocados has changed to the color normal for that fruit when mature for those varieties which normally change color to any shade of red or purple when mature, except for the Linda variety; or

(2) Such avocados meet the minimum weight or diameter requirements for

the Monday nearest each date specified, through the Sunday immediately prior to the nearest Monday of the specified date in the next column, for each variety listed in the following table I: *Provided*, that avocados may not be handled prior to the earliest date specified in column A of such table for the respective variety; *Provided further*, There are no restrictions on size or weight on or after the date specified in column D; *Provided further*, That up to a total of 10 percent, by count to the individual fruit in each lot may weigh less than the minimum specified or be less than the specified diameter, except that no such avocados shall be over 2 ounces lighter than the minimum weight specified for the variety: *Provided further*, That up to double such tolerance shall be permitted for fruit in an individual container in a lot.
